

Conquer The Interview

Common Behavioral Questions Worksheet

Common Behavioral Questions

Tell me about a time you failed to meet a standard? What did you learn?

How did you handle a teammate who was underperforming?

How would your past co-workers describe you?

Tell me about a time you submitted an idea to improve a process and it was rejected?

Tell me about a time you had to quickly adjust directions on a project? How did you handle the stress?

What are the first steps you would take in planning a new project?

Tell me about a time you were a team player?

Remember these questions are often accompanied by follow-up questions that will cover the "why" and "how".
